Received – MNSW Newsletter (no advice of anything to PO Box)

**Financial report:**

Bank Balance available to members at request

No accounts for payment

One membership paid and raffle money deposited since last meeting

**Committee reports:**

Nil

**Member reports:**

- Glen attended the NSW Senior Long Track Championships at Quirinidi Showgrounds, run by Tamworth Motorcycle Club. Was impressed with the racing and spectators, large amount of female participation which was good to see. No major issues on track which is good.
- Mention was made that the East Coast Sidecar Roundup that was meant to be held on September 28 at Tamworth had been cancelled due to a lack of entries.

**General business:**

- Kevin got a call from the promoters of the National Historic Titles (being held at One Raceway, Goulburn on November 14-17) wondering where all the sidecar entries are. Kevin passed on the feedback from members about the price of entry and the unpopular decision to run all outfit classes together in the same events.
- PCRA received a call from One Raceway representatives and shared information that One Raceway crew will run all events that take place at the track, clubs are

not able to run their own events. Track hire cost does not include the use of required track crews, ambulance, and medical room. PCRA are waiting to have a sit down meeting with One Raceway for more information but are still unable to lock one in.

- Sidecar entries are down at events across the board, could begin to impact the opportunities to race if numbers don't improve.
- Broadford Come and Try Day on October 26
- Jem offered to set up a mailing list to make sharing minutes and information to members or participants in club events easier. Seconded by Rod, all in favour.
- Kevin informed the meeting that members are able to join ALMCC (or any club) and then it comes to the committee to approve membership.
- Jem to look into quotes for club stickers and badges for the club. Seconded by Rod
- P4 Formula Twin Sidecars will be introduced in the 2025 Queensland Early Motorcycle Sports Club season. This class will include parallel 4 stroke twin up to 900cc including Yamaha XS 650 and XS 750, Horizontally opposed air cooled twins up to 750cc, air cooled 2 stroke twins up to 500cc excluding Yamaha TZ, any side valve V twin. Eligible outfits for this class will run in with P3's, other P4 outfits will continue to run with P5 and P6 entries.

**For sale / wanted:**

Scott Bland selling 24 Built Rolling chassis with fairing, a long list of spare parts, engine. Message Scott for info.

Billy Freeman is selling 2004 ZX10 Short Bike Sidecar with wets, \$9,500. Contact Billy for more info.

**Raffle:**

Not run

**Next meeting:**

Saturday November 16, 3pm at Prospect Hotel.

Apologies in advance Jem Anshaw

Meeting closed 4:07pm
